

Newsletter 15/02/10

It's been nearly 3 months since our last newsletter!

Time has just flown by. So much has happened – Where do I start?

Firstly

**A Huge “Congratulations” to 7thSL  
and Firefox on the safe arrival of  
Jacob, Born 02/02/10.**

I look forward to booking out a Spitfire for him next week!

The 12 hour event was a blast. The Roma team played as a group and there were a great many lessons learnt. Having said that our team was put under tremendous pressure with unfamiliar territory and no time to train as a group. With this against us we managed to surprise our opponents on many occasions and, as the owner of Roma Laser Games I was very proud to say the team came from here.

We also discovered some hidden talents – Who would have thought that Blaze would make such a good sniper, or that Betty-Blue could be so good with a squad weapon?

Many thanks to our “away” players for making up the side. It wouldn't have been the same without Wolfac, Blaze, Harro or our esteemed commander 7thSL.

Inflatables were a great event. So far we have only had one match but it saw 5 teams slugging it out for the grand prize of 5 cinema tickets. “Going Postal” eventually saw off all comers, undefeated for the evening.

A big **Thankyou** to Ollie and Popeye for reffing the night and allowing me to play.

We have badges available for sale. They cost \$6.00 each including Velcro. There are two versions – Subdued and Dress as seen here.

Members get to have their call signs at the bottom of the insignia while non-members will get “Phoenix Project” underneath.

Coming up there will be an inflatables event on the 20<sup>th</sup> of February. It will be held at the Roma and District Bowmans grounds on the Carnarvon highway. We will be running 5 min matches from around 5pm onwards so feel free to come out and have a go. Cost will be a discounted \$4.00 a game.

The next inflatables match after that will be at Middlefest. This will be held on the 13<sup>th</sup> of March and will be at the Junior School. Please come along and support us as it is a fund raiser for the Schools.

The long awaited World War 2 scenario is also ready for deployment. Members can expect an email in the near future allowing them to sign up for the game followed by a general notice to all players about a week later.

Our new Spitfires have been ordered. Not sure how far away they are but once we recover from their outlay some P90's will be next.

Enough for now

See you on the field

Phoenix.
